4) The points referred to in the

petition are. — 1) that the seven villages in question were being managed by one establishment for all the villages prior to the year 1904 unlike at present. 2) that the St. Bd. has no right to interfere in the affairs of alienated villages as regards the holding of shandy, 3) that the St. Bd. is in wrong in paying one fourth of the shandy realisations of about Rs. 375/- to the concerned village panchayat when its income from other sources falls below Rs. 150/-, 4) that permission has been granted by Govt. to the holding of an additional shandy at Hellegondanahalli without reference to the Inamdar.

It is reported ~~to~~ as regards the first point that all the villages were under the management of the Inamdar from the year 1827 on ~~to~~ to 1904 and from 1904 till today, it is under the management of Govt., all the revenue being ceded to Govt. in consideration of the loan granted to the Inamdar. introduction of the Village Panchayat Act, it became imperative that every village should have separate establishments and that the present system is in accordance with it. For item No. 2, it may be pointed out that under Section 45(1)(C) ^{read with 54-A} of the D.P.D. Act, shandies are to be held whether in alienated or unalienated villages only ~~after~~ under a license granted by the D.P.D. As regards point 3, the latest orders of Govt. are that one-fourth of the net realisations from shandies be made over to the Village Panchayat concerned subject to a maximum of one-fourth of the average income of the individual Village Panchayat from all sources for the past three years other than grants from Govt. or the D.P.D. The present proportion ~~that is~~ in which the payment is being made is not in accordance with the above orders of Govt. It is therefore a point for consideration if the excess over the ~~an~~ amount admissible

Note from the Superintendent of Inam Settlement.

G.B. Do No. 258 of 42-43 & 9.2.1943

The points on which information is required are

i. whether the item "Sunkam" mentioned in the sanad includes also the management of Shandies and ii. Ferries and

iii. why the items of Sayer and Sunkam mentioned in the Sanad have been omitted from the Inam and Quitrent registers.

They term "Sunkam" or "Sunka" stands for toll, octroi or custom duties and does not include the management of i. Shandies or ii. Ferries.

(Vide page 24 of the Glossary in the Mysore Gazette Vol. II 1876 Edition)

As regards the alleged omission from the Inam and Quitrent registers of the items Sayer and Sunkam mentioned in the Sanad it is seen that it is not the case; the item sayer in which the item Sunkam is also included has been noted in both the Inam and quitrent registers among the items of revenue conceded to the Inamadar.

In this connection kind reference is however invited to the Chief Commissioner's order No. 1851/Rev.4 dated the 3rd June 1875 wherein Government direct the investigation into and recording of the prescriptive rights of Inamdars in cases where the Sandys did not expressly convey the right to Ferry (vide para 3 of the order on pages 156-157 of the Mysore Revenue Manual 1886 Edition). It is a matter which can be easily ascertained if as a result of this any settlement was made in accordance with above order regarding this particular Inamdar's right to the item 'Ferry'.

One of his contentions is that the Shandy was established in his village without his knowledge. It is no doubt a fact that he was not consulted at the time the Shandy was started in this alienated village in the year 1933. As against this, it is stated that the proposal to have the Shandy was adopted in the Mysore Gazette dated 17.8.1923. Objections were called for. The demand did not raise his objections then but after about eight years later.

The second point is about the realization of the Shandy between the Dist Board & the village Panchayat. This arrangement is in accordance with the order of Govt dated 17th January 1936 to the effect that one fourth of the realized fund should be made over to the village Panchayat concerned, subject to a deduction of one fifth of the average income of the individual villages Panchayat from all since the then fund for Govt & the Dist Board. It is stated that only Rs 13712/- is being paid to the Bethagrodanahalli village Panchayat for the year 1935-36. The statement of the transfer of the fund that the Panchayat is paid more than what is due to it under the rules is therefore incorrect.

and (3) at Thornahalli in Nalur Taluk.
The fact should not have been overlooked
that in this case it is a ~~servant~~ ^{servant} village & that the Dist Board is holding
the ~~share~~ ^{share} of the land belonging to the
Dravidian. It will be seen that the
Dist Board is deriving a good income
from the share & that the amount made over
to the local Panchayat is very small
according to the statement of the President
Dist Board, Hassan.

(28) Having regard to all the facts
stated above, it is for consideration if
the one fourth of the realization for the
share every year may not be made over
to the village Panchayat & the Dravidian
to be shared equally between them as
has been done in the case of the Thornahalli
share, subject to the condition that
they also contribute towards
the facilities to be created in the share
for those who resort thereto for
making purchases etc. If this suggestion is
accepted - which appears to be equitable -
the arrangement may be ordered to come into
effect from 1943-44, without any claim for
the back periods on the part of the Dravidian,
as the Dist Board is not in a position to

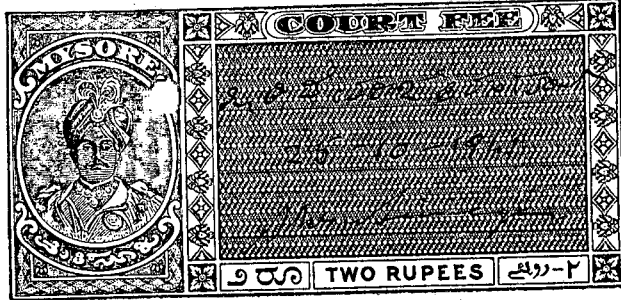

way the facts of the case, the prints in

factor to decide such cases is whether there was recognition of the right and whether the Inamdar was in actual enjoyment of the right prior to and at the time of the Inam settlement but since no shandy had been established previously, the absence of enjoyment of such a right cannot help to determine the question.

48) Since the shandy is held on the land belonging to the Inamdar and since the Inamdar had the right attached to the grant, it is but reasonable that he should be given a share of the income. It is seen that though large amounts are being realised from the shandy by the District Board, only a sum of Rs.13-13-0 is being given to the Village Panchayet. One-fourth of the realisations may be directed to be made over to the Village Panchayets and the Inamdar to be shared between them equally, subject to the condition that they should contribute their share of the expenses to be incurred for creating facilities to the public who resort to the shandy.

49) In view of the acquiescence of the Inamdar, retrospective effect need not be given. It may come into effect from 1943-44.

All Represented by (1) Mr. Dalvoy Devaraja Urs

The humble petitioner Mr. Dalavoy Devaraja
Urs, Inamdar of the Survamaniya villages of Hebbala,
Hettagowdnahalli; Ganjalgud, Bornhalli, Anniganahalli,
Doddagavanhalli and Ganganhalli, Arakalgud Taluk,
Hassan District,

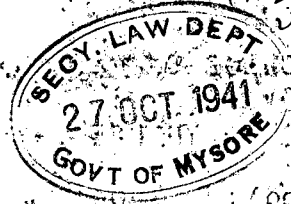

most respectfully sheweth that:-

1. The late His Highness Sree Mummadi Krishnaraja
Woodiyar Bahadur III granted the said Inam villages
as Survamaniya to our great grand father, Dalvoy
Devarajaiah in the year 1827 A.D. vide Copies of
Sannads 10, dated 28-5-1827 and Inam Title Deed Nos.

2013 to 2019 dated 26th May, 1915:

2. A perusal of the Sannads shows clearly that
the full proprietary right and interests were granted.

3. The villages are lying side by side and
attached to each other forming one compact block.
Hence only one Sannad was issued for all villages

Handwritten notes in the left margin: '17/10/41', 'XXIX', and other illegible scribbles.

25).
Inamdar appointed only the Police Pater for the
unit which remained unsplit.

6. The same procedure was in existence till the year 1904 when the villages went over to Government management and remaining still so. The Inamdar would seem to have entirely ceased his connection therewith as all receipts therefrom were being credited towards the Government loan granted to him.

7. The Government loan was discharged in 1926 and still the villages are directed to be continued under Government management for some time more till all the minor Inamdars come of age and acquainted with the management of the affairs.

8. For all the villages taken together as one unit the Inamdar had only one shandy held at Hobbalo on Sundays from 1827 the year of the grant (Vide Paras IV & V). A separate land is left for the purpose as Santhe-mala Vide Survey and Settlement records.

9. His subordinates were attending to the collection of toll etc. (Sawyer and Sunka as per Sannad).

The manure etc. rubbish was being auctioned. The Inamdar was enjoying the income to the end of 1904 (Vide para VI).

10. In the year 1933 permission was granted to hold a shandy on Tuesdays at Hettagowdnahalli, one of the villages of the unit. - Vide G.O. No. L.4240-42 L.N.36-33-10 dated 20th December 1933. This was superfluous when there was already a shandy in the same unit, and it was serving all the purposes.

11. The Inamdar would seem to have not been consulted in the matter.

12. To add to the above the Week-day of the existant Shandy (earliest one at Hebbale) was changed from Sunday to Thursday. - Vide Notification No. 3612 dated 18-9-1940 from the President, District Board, Hassan. Why such drastic change was introduced could not be made out.

13. As a result of the action referred to in paras XI, XII & XIII the additional shandy started in the same unit began to flourish and the existant one deteriorated. The former came in existence in place of the latter in one and the same unit with only its locality changed.

14. In both the ways the Inamdar lost his income as enjoyed as per Sannad.

15. There was no separate Shandy for this village and no necessity arose as the existant Shandy at Hebbale was serving the purposes of all the villages of the unit.

16. The Shandy at Hettagowdnahalli is being held

apportioning the Shandy realizations of an alienated village between the District Board and the village Panchayat leaving out of consideration the vested right of the Inamdar. They ought to have taken the consent of the Inamdar and followed the procedure on the lines prescribed in G.O.No. 5341-58 V.P. 50-27-3 dated 6-2-1929 and G.O. L. 9100-1 L.B. 155-30-4 dated 15-5-1931. The District Board has not adopted this procedure.

23. There is a Village Panchayat established in the village. It seems to have come into existence after the passing of the Village Panchayat Regulation of 1926..

24. The Villages are Survamaniya. The right to toll is vested with the Inamdar. The District Board have right to collect toll in unalienated villages only. They ~~can~~ cannot interfere with the right of the Inamdar without his consent..

25. For the afore-said reasons the Petitioner prays that the decision of the District Board and the Deputy Commissioner may kindly be ordered to be revised and that a direction may be issued to the District Board to refund the toll collected.

Subject:- The difference between an Inam Village and a Sarva-Manya Village in respect of the rights of the Inamdar for Sayer and Sunka.

§ § §

The terms Inam and Manya are identical and mean a gift or grant on beneficial tenure, i.e. free of assessment, or partially assessed (Ardhamanya) or lightly assessed (jodi) and include the term Sarva Manya.

The term Sarva-Manya means a grant free of all demands including Sayer, Mohatarfa, etc., (vide Glossary at the end of the Revenue Manual Volume No.I. p.p. 576 and 582).

As regards the query whether there is any difference in the exercise of the rights of the holders of an Inam village and a Sarva Manya village in respect of the Items of Sayer and Sunka it may be stated that these items of revenue have been conceded to the holders of either kinds of Inams and no distinction is drawn between the two kinds of grants so far as they relate to the exercise of the rights of Inamdars except that the grants on Sarva Manya tenure were on a tenure more beneficial to the Inamdar in respect of the Jodi etc. payable to Government. No distinction however appears to have been made between the two kinds of Inams for purposes of the application of the Inam Rules.

As regards the rights of Inamdars to items other than Land Revenue, the governing factor for the recognition of the right to such other items was whether the Inamdar was in the actual enjoyment of such items prior to and at the period of Inam Settlement.

Superintendent of Inam Settlements.

Mrs _____

_____ 2 The Hassan Dt. Bd have
in that village
been holding a shandy every
Tuesday from the year 1932-33
in accordance with the first
of the Q.O's read above,
under the provisions of
Sec 45(1)(c) and 54A of the

granted out of the realization,

with the ~~orders in~~ the second
of the Q.O's read above, dated

with the other villages, is under

(Continuation sheet draft form.)

4. Coming to the several points in the petition, the petitioner contends that the Shandy was established in his village, without his knowledge. Although the petitioner does not appear to have been formally consulted at the time, the proposal was duly notified in the Mysore Gazette dated 17.8.33³³ (43) and objections were called for. The Inamdar could have preferred his objections then, but he has done so after a lapse of eight years.

5. The petitioner also objects to the apportionment of the realisation of the shandy between the District Board and the Village Panchayat in accordance with the G.O. of 7th Jan 1936 referred to above, and states, that, in fact,

'Sunka' and 'Sager' have been conceded to the Sarvamanga Inamdar along with the grant. The Inamdar, therefore, could have managed the shandy and collected the taxes himself by obtaining a license from the Dt. Bd., as, in spite of his having raised no objection to the starting of the shandy by the Dt. Bd., his right still subsists.

7. Further, the shandy is being held on the land belonging to the Inamdar, and who has also the right attached to his grant of Sarvamanga. It is therefore only reasonable that he should be given a share of the income from the shandy.
